4th of July

4th of July 2018 was a big success! The day started off with a delicious breakfast at the concession stand then the fishing tournament began. Next, there was a bike parade with a decorating contest and then everyone staked out their sand pile for the sand castle contest!

There were some awesome sand sculptures made this year. You could find everything from Mickey Mouse to bugs to a fort!! After the sculpture judging, the kid's games began. This year the games included a duck race, balloon toss, a water shooting contest, the egg toss and the ever popular tug of war! The swim races and canoe races came next. We had lots of participants and even some tipped canoes! Finally, the festivities wound down with a life-size version of the Hungry Hippos game and the 3-on-3 basketball tournament. A big thank you to all who make this day possible, it's a truly special day at the lake!!

Wear your Bands

Even though summer is quickly coming to an end, it is still important that members and their guests have on swim bands. Thanks!

Pull Weeds while you swim!

We could use your help at the pool! When you come down for a swim, would you consider taking 5 minutes to pull some weeds at the edge of the pool? A few minutes from a lot of people will eradicate the problem and make our pool a more enjoyable place to spend a sunny summer afternoon. Thanks
