

OVER THE DAM

July 2020

WWW.SEVAKEEN.COM

Despite being in the midst of the COVID-19 pandemic, the 4th of July 2020 was still a big success! Some of our traditional events and activities were eliminated this year but everyone seemed to enjoy themselves just the same! The day started off with the fishing tournament. We had fishermen up at the big lake and some at the bottom of the spillway. Both areas had some good catches. Next, there was a bike parade with a decorating contest and then everyone staked out their sand pile for the sand castle contest! There were some awesome sand sculptures made this year. You could find everything from the winning turtle, some flowers, and even a toilet!!

After a lunch break, we had the golf cart parade. There were many decorated golf carts that paraded around the club. The swim races, egg toss, and canoe races came next. We had lots of participants and even some tipped canoes! This year we had Cheezylicious and Kona Ice come out and provide some food for our members and their guests.

They were very popular!

A big thank you to all who make this day possible, it's a truly special day at the lake!!

Sevakeen 4th of July Winners Fishing Contest Winners:

Most inches caught

0-6-year-old winner Brooks Stryffeler with 51 inches

7-9-year-old winner Lance Wartluft with 118.5 inches

Abby Sweeney - abigail_sweeney@yahoo.com

Movie Night

Our next movie night is Saturday, July 18th. We will be showing "Trolls World Tour". It has been reported, from good authority, that this is a 'must see' movie!!!

We love all the dogs but.....

There have recently been a few incidents with some dogs that were not on leashes or tied up in yards. Because of this, The Board wanted to remind everyone what our Club Ground Rules state about this issue.

1.11. No pets, whether a member's or guests, will be allowed to run at large at any time on club property. (This includes cats). All pets (including cats) must be on a leash at any time they are off their owner's lot. No pets are allowed in the pool area at any time. Pet owners are expected to clean up after their pets. Owner must control noisy or unruly pets. A detailed complaint, made in writing and signed by a member, should be given to a member of the board. If the board deems the complaint to be justifiable the following actions may be taken:

1.11.1. For first complaint, the board of directors will issue a written warning to the pet owner.

1.11.2. Receipt of a second complaint will result in the club member being requested to appear before the board of directors to show just cause why the pet should not be removed from the club.

The Board is also asking that if you have an invisible fence on your property that you somehow mark the boundaries with a sign. Sevakreen is a great place to live and we don't ever want anyone to be nervous or fearful of going on a walk.

Our goal is to be a neighborhood where people feel comfortable going on walks and stopping to visit with their neighbors!

Upcoming Meetings

- The next Board meeting is scheduled for August 9, 2020 at 6 pm.
- The Annual Meeting is scheduled for August 16, 2019 at 6 pm. Election of Board of Directors will take place. Due to social distancing requirements, we are asking that only one member per family attend the meeting. Thanks!
