## Happy MEMORIAL Day

### Construction Zone

The replacement of the roof of the large pavilion has finally started. The contractor is going to remove all of the roofing and upper rafters, leaving the posts and headers, and then straighten the east wall before installing new rafters and a brown metal roof. Barring really bad weather, we expect the pavilion to be usable by Memorial Day.

### Membership Info.

Along with this newsletter, you are receiving a copy of the Swimming Pool Rules. When you come to pick up your swim bands, you will be asked to sign stating that you have read and reviewed the pool rules with your family. You will also receive your membership card when you pick up your swim bands.

The card and swim bands are your identification and proof you are a member in good standing. Your co-operation in wearing the bands will help the lifeguards in their job. Remember, each year we have some new lifeguards that don't know everyone and must rely on the bands for identification. Also, Sevakeen is OUR club and we all have the authority to question those without a band. The Board feels very strongly that in order for Sevakeen to stay as it is, we need to be proactive in preventing non-members from using something we all pay for.
