## Homes for Sale

1621 Lake Front Dr. - contact Ed & Sue Shultz  
for more info 803.917.8367

1340 Ridge Rd. - contact Howard Hanna Realty

## Welcome!

We'd like to welcome the following new members to the Sevakeen family:

1. Brandon Davis

## Clean-Up Jobs

Because we didn't have a clean-up day this spring, there were many projects that didn't get done. It would be greatly appreciated if anyone wants to tackle any of the following tasks.

### At the Clubhouse:

- There are several limbs in the wooded area behind the Clubhouse that can be cut up and hauled to the burn pile in the playground.
- The club house rain gutters need cleaned out. We have a safety harness for whoever wants to go up on the roof and tackle this task.

### At the Playground:

- The picnic tables need to be unstacked in both the large and small pavilion.
- The rain gutters of both the pavilions need to be cleaned out. This can be done using a tall stepladder.
- There are several large limbs in the wooded area behind the teeter-totters that need to be cut up and drug out to the burn pile.
- There are always sticks to be picked up and disposed of.
- Move the paddle boat out of the way close to the boat tie line and turn it upside down. We will NOT be putting the paddle boat in the water this year because we have no way to be sure that it gets disinfected after uses.

If you see something else that you think you would like to do, call Neal Sangree or any other board member and let them know what you are doing. Any help will be greatly appreciated.

## COVID-19 Update

The Board understands that during this Pandemic everyone's lives have been disrupted. If you are in need of more time to pay you membership dues, please contact a Board member or the office. We don't want this crisis be a reason you and your family are not able to join Sevakeen for 2020!

## Swimming Pool Info.

The pool now has the proper sanitizing equipment and sanitizers to keep the bath houses clean and sanitized per CDC and Health Dept. protocols. The lifeguards will sanitize them every 2 hours. The protocols also prohibit the sharing of any items. Any toys, or items left at the end of the day will be thrown away. The sharing also includes beach chairs, we will not be getting our chairs out this year. If you want a chair, you will need to bring your own. Please take all your items home with you when you leave for the day.

Thank you for helping to keep your fellow members safe with social distancing on the beach and face masks when walking around the beach.

## Freebies!!

Last year the club purchased some new chairs for the clubhouse. Due to that we have a lot of metal chairs that we no longer need. If you would like some extra metal chairs for your home, contact Carolyn in the office.

## Don't Forget!

Swim bands can be picked up in the office during regular office hours. Also, remember to wear these when you are down at the pool.

This is how the lifeguards can identify members from non-members. Thank you!

## Congratulations Graduates!!

We would like to congratulate all the members of the Class of 2020 and wish them Good Luck in their future endeavors! Congratulations!!!

## **Information on Off- road vehicles at Sevokeen Country Club**

The By-Laws committee has reviewed the current rules for small vehicles, and recommended that changes in the rules were not needed.

Compliance with the current rules will solve any complaints. Please refer to section 5 of the current Ground Rules. They can be found on our website at <http://www.Sevokeen.com> under the "Members" tab. As stated in 5.3.1 "These rules are meant to apply to all forms of low speed recreational vehicles including golf carts, all-terrain vehicles (ATV), dune buggies, snowmobiles, dirt bikes, and any other motorized land vehicle designed for recreational..."

Highlights of 5.3 include:

- All small vehicles must be registered with proof of liability insurance each year with the club.
- A driver's parent and/or the vehicle owner shall assume full responsibility for such operation.
- Small vehicles can only be driven on hard surfaced roads.
- The minimum age the driver is 12.
- Continuous circling or cruising is prohibited.

Please refer to Section 5 for all the rules. These rules were not put into place to limit recreation, but for the promotion of good neighbors and safety. Our goal is to keep Sevokeen a safe and friendly place to enjoy. As a note, State Law requires that all vehicles using a public road, Buck road, must be licensed and be operated by a licensed driver.

## **Movie Nights and Music at the Beach**

As of 5/29/20 most entertainment venues, including Country Clubs and social clubs are to remain closed. In the event, the Ohio Health Dept allows us to open, we are planning events such as movie nights and pool parties. We will keep you informed of any changes and how we will have to do masks and social distancing and limits on attendance.

## **Board Meeting**

The next board meeting is June 14, 2020 at 6:00 pm at the clubhouse.
