The last hurrah!

The 4th annual Luau was held on Saturday, August 25th.

Unfortunately, the weather did not cooperate and there were only a few brave swimmers. Hopefully, the weather is more favorable next summer!

Pull out your best Chili recipes!

The Chili cook-off is back! It will be held at lunchtime on November 10th during the fall clean-up day.

Get your recipes ready!

We need some help!!

On August 6th, someone placed 8 extra trash bags and a stuffed chair out for trash pick-up. There was a substitute driver that week and he did not supply the hauler with a proper address. If you were the party that put out the extra, please call the office so we can invoice you. The correct procedure is to call the office if you plan the set out extra trash. The trash hauler can then plan to pick it up. Without notification, it may not get picked up!

Thanks

Caution

You may have noticed the yellow caution tape at the North end of the clubhouse. Recently, we have determined that there are 2 trees that may be a problem and are making plans for their removal. In the meantime please stay on the roadway and off the grass.

The next board meeting is scheduled for Sunday, October 21, 2018 at 6:00 pm.
