Office Paperwork

Beginning in 2022, small vehicle registration and proof of septic maintenance/pumping will be required prior to picking up swim bands. In the spring, when members pick up their swim bands, vehicle owners will need to provide proof of current insurance in order to complete the registration process and homeowners will also need to ensure that a current copy of their septic pumping/maintenance is on file prior to receiving their bands.

(small vehicles with state issued license plates are excluded from this process)

Lifeguards Needed

If you know of anyone looking for some summer work as a lifeguard, please encourage them to contact the office for an application. We will definitely be in need of some guards for this upcoming summer.

Love those Pets, but.....

Just wanted to ask everyone to please clean up after their pets. We want to be a neighborhood where people are able to go on walks without watching where they walk.

Also, remember to keep your pets on a leash!

Thanks!

Clean-Up Day

Spring is almost here and the first clean-up day has been scheduled. Bring your rakes to the clubhouse on Saturday, April 2nd at 8 am and we

will get Sevakeen ready for Summer!!! We will be having lunch in the clubhouse when everyone is done! Our rain date is April 9th.

Thanks in advance!

Hoppy Easter!

The annual Easter Egg Hunt is tentatively scheduled for Saturday, April 16th at 11am.

However, at this point we have no one organizing this event. The person who has handled this event for several years is handing over the reins and we are in need of some new organizers. If you are interested in taking care of filling and hiding eggs, organizing a game or two, or planning a small menu please contact Carolyn in the office. Unfortunately, if we are unable to secure volunteers, it will be cancelled.
