Swim Party!

If you will be having any large groups out to swim, it would be great if you could please let the office know in advance. We just want to do all we can to make sure we have the correct number of guards on duty!

Thanks!

Buckeye Trees Anyone?

Thanks to some enterprising squirrels, I have several Buckeye trees (Chestnut) growing in my backyard in the wrong place and will have to be removed. If you are interested in taking them off my hands, please call me @ 330-821-1732. I also have several small redbud trees that need a new home.

Swim bands

Please stop by the office to pick up your 2022 swim bands! For our new members, these bands are to be worn when using club facilities; especially the swimming pool. This is how the lifeguards can identify members from non-members.

Thank you!

Safety Concerns

The Board has had some discussion on purchasing an AED device so that we are able to do everything possible to keep our members and their guests safe. This device would be kept down at the pool during the summer as all the lifeguards are trained on how to use the AED. Then, during the winter months it would be kept in the clubhouse. These devices are not cheap and it is not currently in our budget so we are looking for some donations to help defray the purchase cost. If you feel this is something you would like to donate to, please contact one of The Board members or stop by the office during office hours. Thanks!

Snack Shack

This will be open this year and will be operated by some young teens we have hired. There will just be the basic snacks and drinks. You will also still be able to purchase day passes for your guests there.

Lifeguards

The lifeguards will be starting to guard on Saturday, May 28th. Their hours this summer will be from noon to 8pm. Keep in mind, that until schools are all out there may only be guards on the weekends.

Board Meeting

The next board meeting is June 12, 2022 at 6:00 pm at the clubhouse
