Office Paperwork

Just a reminder that small vehicle registration and proof of up-to-date septic maintenance/pumping will be required prior to picking up swim bands in 2023. Last year was a "grace" year, as we wanted everyone to become accustomed to the new policy.

It will be enforced this year.

So, in the spring, when members pick up their swim bands, small vehicle owners (aka golf carts, ATVs, small dirt bikes) will need to provide proof of current insurance in order to complete the registration process. Homeowners will also need to ensure that a current copy of their septic pumping/maintenance is on file prior to receiving their bands.

If you have any questions, please give Carolyn a call in the office.

(small vehicles with state issued license plates are excluded from this process)
