Corn Roast

Over Labor Day weekend we have a corn roast and we are looking for some help for this year. If you would like to help in any way (ex: purchasing paper products, buying the corn, or cooking baked beans) please contact Carolyn in the office!

PS - You will get reimbursed for anything your purchase for club events. Just save your receipt and turn in at the office!

America's Birthday

We started off the day with two events occurring simultaneously: breakfast and the fishing tournament.

Many fishermen took their breakfast "to go" as there were fish to catch! We had fishermen up at the big lake and some at the bottom of the spillway. Both areas had some good catches. Next, there was a bike parade with a decorating contest and then everyone staked out their sand pile for the sand castle contest! There were some awesome sand sculptures made this year. You could find everything from a blue bird and a crayfish, to a table & couch!! After a lunch break, we had games for all ages! Then came the swim races, egg toss, tug of war, and the very competitive canoe races. We some very tight races!

A big thank you to all who make this day possible, it is a truly special day at the lake!!
