2. The plants and stones around the utility pole at the south west corner of Sevakeen Circle and Country Club Drive need to be cleared out and something more attractive put in its place.

3. Fix the paddle boat. The Club's paddle boat has a crack in the floor of one of the rear foot wells which lets in water every time it rains. It might be possible to place a patch over the crack with fiberglass or epoxy resin and save the cost of purchasing a new paddle boat.

4. Cut off the flower stems of Hostas wherever you find them.

**Remember you can be reimbursed for any items you would need to purchase to complete the project.

Welcome!

We'd like to welcome the following new members to the Sevakeen family:

1. Angela McCoy
2. Sam and Courtney Martucci & their children Reed and Dane.
3. William and Debbie Ernst-May & their children Lydia, Mathilda, Natasha, and Gwendolyn

Board News

The Annual membership meeting of Sevakeen was held on August 20, 2023. Committee chairs reported on the activities of their committees for the past year. The membership elected the following members to serve on the board through 2025:

Debbie Easton-Bentley
Steve Buie
Eddie Dawes

We need some help!

One of the things that come out of the club survey was that many of our members would like to help with projects if they knew what those projects were. So, the Grounds Committee wanted to put the following items out there to see if some of our members would be interested in tackling these projects.

1. The railroad tie steps to the boat dock need to be replaced.

Thank you

On behalf of all the members of Sevakeen, The Board of Directors would like to extend a HUGE thank you to both Bruce Beckwith and Jack Benner for their many years serving on The Board of Directors. Your dedication to Sevakeen is greatly appreciated.

Thank you, both!

Upcoming Meetings
