Club Emails

The club email addresses have been acting a little finicky lately. We have had multiple instances where our email responses to your questions or comments appear to go unanswered. That is NOT the case. We are responding but for some reason the email does not go through. If you feel this may be you, please do not hesitate to call the office to get an answer for your question.

America's Birthday

We started off the day with two events occurring simultaneously: breakfast and the fishing tournament. We had fishermen up at the

big lake and some at the bottom of the spillway. Both areas had some good catches.

Next, there was a bike parade with a decorating contest and then everyone staked out their sand pile for the sand castle contest! We had some awesome sand sculptures made this year. You could find everything from a bear with a fish, a mermaid, to Jesus's tomb! After a lunch break, we had the swim races for the kids and then the grueling Master's Race. Next, we had the children's games, the egg toss, a tug of war, and the very competitive canoe races.

A big thank you to all who make this day possible, it is a truly special day at the lake!!
