Dam Update

Hi everyone! We wanted to let you know that work on our dam is scheduled to begin shortly after the 4th of July holiday. As part of this project, the water level will gradually be lowered, so you may notice it starting to drop in the coming weeks. If you've been planning to get some fishing in, now's a great time to enjoy it before the levels go down.

This work is part of the necessary updates and repairs the dam needs to keep everything safe and functioning well for the long term. We'll continue to share updates as the project moves forward.

Thanks for your understanding and support as we take care of this important piece of our community.

Friendly Lake Reminder

The boats stored along the bank of the Fishing Lake are privately owned. Members are welcome to use them only with the owner's permission. The club-owned paddle boat is available for all members to enjoy. If you'd like to bring your own boat to the club, please register it in the office.

Garbage Pickup

Because the 4th of July is our biggest day at the lake, we have scheduled an extra pick-up for Friday, July 3rd. This will allow us to have empty dumpsters over the weekend!!

Wear those swim bands!

Our lifeguards have been asked to check and they are doing their job so please do yours and wear your swim bands. This lets them know you are a member. Don't forget to get a temporary band for any guests you bring with you. They can be purchased in the office, snack shack, or from a lifeguard. Also, The Board of Directors will be circulating on the 4th to ensure everyone is complying with this policy. Thank you in advance for your cooperation.

Just a reminder!

Fireworks are not permitted on Sevokeen grounds, please the Ground Rule below.

- 1.14. The use and sale of fireworks will not be tolerated on club grounds; however, sparklers and cap guns are permissible. The use of fireworks, etc., on the club grounds will result in a penalty to be determined at the discretion of the board.
